Hello Churchville Lions,
I'm Baaaaaaak at least for the moment. I could be back traveling at any time. Many many thanks to Lion Valerie for filling in for me while I was on the road. Val did a tremendous job with such short notice. It is great to have a VP that can take over as efficiently as Val did.

While on the road I met with three Lions clubs. I attended a dinner meeting attended by Lions from Louisville, Lafayette, and Denver Colorado. The Colorado Multiple District 6 is currently working hard to get PCC Lion Paul Barbour elected as International Director. Lion Paul attended the International Convention in Hong Kong and put on a very interesting Power Point presentation of the convention. It looks like the Denver area clubs have the same issues that we have in Churchville. Membership, both finding new members and keeping the current members active is one of their main tasks. Fund raising is another unending task that is common to both areas.

At the March dinner meeting we had representatives from the Webster, Caledonia and the Greece Ridge Lions clubs. PDG Pat Butler gave a presentation on Sight First II. Our podium somehow got into the hands of the Webster Lions club. There is a rumor going around that they had the help of a very prominent Churchville Lion. We have been invited to a Webster Lion's dinner before the end of the 2005-2006 year to retrieve our podium. I think that Lion John Rabideau has volunteered to drive.
