Dear Fellow Lions,

I hope you are all enjoying this **HOT HOT** weather. Thank you to all you Churchville Lions for making 2004-2005 another great year. We worked hard on all of the events and had a lot of fun doing it. It is the team effort that makes the work easier and the time fly by. This year I think we need to do more club visitations. By visiting other Lions clubs we can get information on their up coming events and we may get some ideas on what other fund raisers would be practical for us to try. It is also a challenge to see what club objects we can bring home. Also, our club owes the Ontario, Canada club that visited us a return visit. This would be more of a challenge but it is possible. We also need to get the phone tree working again. We cannot always rely on computers to get the word out especially during those power outages that are becoming more frequent. One big challenge we have this year is to find a way to pay for the repair roof on the Uplinger building at Camp Badger. The estimate for the cost of the materials and labor is \$6,400.00. Lion George Beldue is working on obtaining grant money and finding ways to reduce our cost. The budget for 2005-2006 is nearly finalized and will be distributed in the near future. Also coming in the near future will be the list of committees.

As usual we have a full schedule of events for the year. The Clifton parade is on **August 05**. We will be meeting at the Village parking lot at 6:00 P. M. Contact Lion Guy Pugliese at 293-3690 to sign up and get more info. The Beldue Bash is on **August 06** at Lion George's house, 4151 Buffalo Road. It starts at noon and runs until. Please remember to BYOB and a dish to pass. We are having a work night at the Medical Loan Closet on **August 09** at 6:30 P.M. to paint the building. Set-up for the Fair starts on Monday, **August 15** running through Friday, **August 19** at the Fair Grounds. The annual Clambake will be on August 30 at Lion Marty's Molinari's house, 530 Reed Road. Finally, have a great and safe summer and **SELL THOSE COUNTRY FAIR TICKETS!!!!**
Yours In Lionism, Lion Jim VanHosen

BYO drinks and a dish to pass

RSVP Lion George 594-2103

UPLINGER REPAIRS

Specifically, the building at Camp Badger needs a new roof. Please give this project considerable thought and bring your ideas to the business meeting this month so that we can discuss the expense of this issue, and get the job done before the snow flies. Thank you for your consideration.
Lion George Beldue

IT'S TIME FOR THE FAIR!

Clifton Fireman's Parade Fri., Aug. 5- 6 pm
Lion Guy Pugliese
Set-up at the Grounds Mon., Aug. 15 - Fri. Aug 19

Music Fest 05 was a success, and a good warm up for doin chicken at the fair!

The Surgeon

A mechanic was removing a cylinder head from the motor of a Harley motorcycle when he spotted a well-known heart surgeon in his shop.

The surgeon was there waiting for the service manager to come take a look at his bike when the mechanic shouted across the garage, "Hey Doc, can I ask you a question? The surgeon, a bit surprised, walked over to where the mechanic was working on the motorcycle.

The mechanic straightened up, wiped his hands on a rag and asked, "So Doc, look at this engine. I open it's heart, take the valves out, repair any damage, and then put them back in, and when I finish, it works just like new.

So how come I get such a small salary and you get the really big bucks, when you and I are doing basically the same work?"

The surgeon paused, smiled and leaned over, and whispered to the mechanic...

"Try doing it with the engine running."
