Fellow Lions,

As I write this article for August, It's hard to believe that the summer is slipping by. Our Country Fair is right around the corner and before you know it September will be here. We'll start setting up the fair the Monday before. The Country Fair is August 16<sup>th</sup> & 17<sup>th</sup> and we welcome everyone's help.

On July 14<sup>th</sup> I had my first board meeting and the one of the items on the agenda was the budget. The board made a few changes and after changing a few numbers, we managed to approve it. I will share this with you at our first business meeting.

Another item on the agenda which we've talked about was membership. We have a very large and active club. However, many of our Lions are not involved. Balancing time between your job and the kid's sports schedule can be very hectic. I also realize that family must always come first. What we need is more of you to get involved with some of our events. We have several committees that work on fund raisers and other events during the year. We'll do whatever it takes to work this into your schedule. One of the positions I need to fill is a "Lion Tamer". It's an easy job. All you have to do is, sell some raffle tickets, and bring down the flag, banner and bell at each meeting. The pay is great and we even offer vacation time. Where else can you get a deal like this!

I would like to thank all the Lions that helped clean out the Loan Closet. They threw out items that were old or broken washed just about everything and re-organized the loan closet. Thank you for helping.

Even though gas prices are out of sight, have a safe and fun summer and see you at the fair.
