To my Lion's Family,

As I sit and try to write this month's news letter, I keep coming up with the same thoughts. This month is a very personal letter to all of you and comes from my heart.

At the last dinner meeting I welcomed our new members to "Our Lions Family". When saying those words, I truly meant it from the bottom of my heart. The entire Churchville Lions Club is a Family and has been a part of my family since I was 3 years old, when my Dad became a member of this "Family". My membership didn't start 15 years ago when I was inducted into the club, it started when my Dad was inducted.

We gained new family members to the Rabideau family, and we were treated as family. My family has had so much support from the entire Lions Family through the years, and I THANK EVERYONE of you for it, and you ALL have a special place in my heart.

As a family usually does, ours has had ups and downs. We have had disagreements as any family does and in the end, still Love each other no matter the outcome. As a family in times of need WE ALL come together and support each other when needed. This weekend we are coming together to help fellow Family members that need us, just as they had come to help us in times of need and I Thank God everyday that they are a part of MY Family and my life.

As we work this busy weekend, please take a moment and look around at the Family we belong to and say a little pray Thanking God for what we have as a whole.

Thank You again from the bottom of my heart for being a part of My Family!!!

Yours in Lionism  
Lion President Valerie

### LIONS VS LEOS BASKETBALL

The 10th annual Lions vs Leos Basketball game has been scheduled for Sunday March 2 at the Churchville Intermediate School gym. Time is 12:00 - 2:00 PM. This year's game will benefit Peg Ehrmentraut.

As usual I am looking for brave Lions who would like to participate - either as player or helper. We also expect reinforcements from the Chili Lions again. Since this is our 10th annual - I am hoping that the program will be extra special so please let me know if you are able to participate so it can be planned accordingly. Thanks to those who have helped in the past - they will be able to tell you talent is NOT a prerequisite to becoming a team player. Call Coach Marty 293-1332.

Note from the editor: Fellow Lions, this event IS fun, It teaches prospective "LIONS" what The Lions Club is all about. Participation, Team effort, volunteering, And : "WE SERVE" . Every year the Leo's cause is close to home, but none as is close as this years. Hope to see you there. YIL Lion Mike
