Fellow Lions,

Well summer is right around the corner and it can't get here soon enough. We've had a few nice days to tease us but we've also had some frost. If you're like us and have turned off the furnace, mornings can be a little chilly in the house.

Speaking of weather, it didn't cooperate with us for the steak roast. The guys had to put a roof over our grills. In spite of the weather conditions we had a great turnout. We had 107 people there and we had just about as many Lions from other clubs here as Churchville Lions. There were several door prizes that our club didn't win. It seems that the visiting clubs walked away with the majority of the prizes. Also, somebody walked away with our banner! Apparently, while Scott was loading all our stuff in his vehicle, somebody stole the banner. Other than that, everybody had a good time. Thanks to all that helped out.

As my term as President is just about over, I look back over the year and I'm amazed how fast it went. You all know how hard I campaigned for this position. I beat out all those other candidates that wanted this job. If you believe that, I'll sell you some property east of Miami.

If I were to list all the people that helped me throughout the year, the list would take up most of the newsletter. I would like to thank my board for the support they gave me on some issues that came up during the year. We have several fundraisers and events that I worried about and it seemed that they all came off without a hitch. It's like if our club members have a date, the members automatically do what has to be done. It was challenging at times but all in all it was a good experience. My wife Sharon was very supportive and helped behind the scenes in many ways.

Even though in my professional career I had to do a lot of writing, writing has never been my strong point. With this addition being the last newsletter I have to write, I hope the information I've provided over the year has been informative and helpful. The newsletter is meant to provide members that are unable to attend meetings with information on what the club is involved in.

I would like to thank all of you for the help and support you've given me throughout the year. Have a wonderful and safe summer and I'll see you at the fair.

YIL, Lion President Mel

Installation Dinner

**Saturday, June 20th,
6:00 pm Cocktails, Dinner @ 7 PM
@ The Johnson House**

Menu Choices

Lemon Chicken	\$14.95
Stuffed Flounder	\$15.95

to your 2008-09 Officers, and to show
support to 2009-2010 President Lion
Bill Brunelle and his Board of
Directors.***

***Bring your partner in service and have a
relaxing evening of "Lions fun" before the
hectic summer begins.***

The "over-the -hill" gang went to Camp Badge and installed a new stone wall in front of the Uplinger bldg. When there is a very heavy rain (when ever we take Bob) the water runs down the roadway across from the build and floods the building. The

wall with drainage piping should divert the water and keep the building dry.
We could also stop taking Bob, but what fun is that.

Submitted by Lion Pete Neidrauer

*Our Sunday Sermon.....
Turpentine & Holy Water*

A little boy was sitting on the curb with a gallon of turpentine, shaking it up and watching all the bubbles.

A little while later a Priest came along and asked the little boy what he had. The little boy replied, "This is the most powerful liquid in the world, its called turpentine."

The Priest said, "No, the most powerful liquid in the world is Holy Water. If you take some of this Holy Water and rub it on a pregnant woman's belly, she'll pass a healthy baby."

The little boy replied, "You take some of this turpentine and rub it on a cat's behind, he'll pass a Harley Davidson.."

Two Mexican detectives were investigating the murder of Juan Gonzalez..

'How was he killed?' asked one detective.

'With a golf gun,' the other detective replied.

'A golf gun! What is a golf gun?'

'I don't know. But it sure made a hole in Juan.'

The graveside service just barely finished, when there was massive clap of thunder, followed by a tremendous bolt of lightning, accompanied by even more thunder rumbling in the distance. The little old man looked at the preacher and calmly said, 'Well, she's there.'

Here we go again, any odds on when it hits \$4 again?
