Dear Fellow Lions,

I first want to Congratulate Lion Leslie Reinwald for receiving the LCI Presidential Certificate at the Fall Conference in Batavia Friday night. It is well deserved, Congratulations!

We had a very nice and successful New Member night last month with approximately 8 prospective new members to our club. Nov. 12 7-9pm and Nov. 18 8-4pm will be the Orientation meetings for the prospective new members. Letters will be going out to each of them inviting them to attend. As a sponsor please encourage your prospects to attend if they are serious about joining our club.

October 31st was our annual Halloween Parade. The weather was perfect for the kids, not to mention the adults too. I want to thank the committee for a great job putting it together. Thank You.

November 18 we will deliver the first of the holiday food baskets to families in need. We will meet at 12 Noon at Lion Bob "BOOB's" house. It doesn't take more then a half hour of your time and is very rewarding in the end. If you haven't had the opportunity in the past to deliver these baskets, please sign up with Lion Bill Keidel to help.

In those lines of giving, I attended the District's Fall Conference in Batavia on Saturday and had the pleasure of listening to ID Lion Dave "Santa" Stoufer from Iowa. In listening to him tell a couple of stories of "Christmas Miracles" and not a dry eye in the room, he had hit the nail on the head, that We as Lions are Santa's in Yellow vests. We give Christmas Miracles ever day by serving our community. We deliver food baskets, toys to children, wheelchairs, crutches, ramps and I could go on with so much more. We as Lions have touched people in so many ways and may have never received a "Thank you", but it was not forgotten I am sure. That small gesture we made will follow that person or the families in one way or another and who knows will produce a Lion in our community. So on November 18 and December 16, when we deliver the food baskets for this year, remember you are Santa for that day and everyday

that you are a member of one of the world's largest service organizations.

I would like to remind all our members that have small children and may need a babysitter; the Just 4 KICC's 4H group is willing to baby-sit at the Johnson House for free. This is their community service to our club for sponsoring them. If you are interested, please contact me no later than a week to 3 days in advance, before a meeting so I can contact Michelle Raineri, the girls leader, and she will contact 2 girls to come to the Johnson House. If you have any questions regarding this, please feel free to call me or e-mail me.

Our next dinner meeting is November 27 at the Johnson House. It will NOT be Turkey, I promise! As of today, the Cancer Center people that were at the fair will visit.

If anyone has any program ideas, please contact either Lion Nancy Neidrauer or myself so we are able to line something up. In January, our DG Lion Terry Bliss and his partner in service Cookie will be at our January dinner meeting and in February we will have the Aurora House as our guest for that meeting. If anyone has any other ideas, please come forward.

Have a wonderful Thanksgiving and if traveling, have safe travels.

Yours in Lionism,
Lion President Valerie

A few weeks ago, we completed the Light The Night Walk for The Leukemia & Lymphoma Society.

It was overwhelming to see how many lives are touched by cancer; it makes you feel so small, but yet not so alone.

We just wanted to say "thank you" again for your generous support. Your help and encouragement

helped get us to the finish line (then and now), and more importantly, you are helping to accelerate cures for leukemia, lymphoma and myeloma and bringing increased hope to all of the patients and families who are on the front lines of the battle against these diseases.

On behalf of The Leukemia & Lymphoma Society, but most of all, Our Family...

Thank You Very Much for your Kindness. We really appreciate your generosity!

Tony & Michelle Raineri
