

2017 Donation Opportunities Lions Club Auction Booth August 19 & 20, 2017

We're trying something again . . .

Gift Baskets!

Ways to consider helping out:

1. Donate a complete gift basket.

- Do you sell a product or service? *Create a themed basket around your product.*
- Do you have a favorite hobby? *Share that hobby with another through a basket, i.e. card making, puzzles, bird watching, gardening, etc.*
- Create a basket around a favorite activity. *"An afternoon of baseball, "Date night without leaving the house," "Beach time," "Pizza night," etc.*

The possibilities are endless. Let's see your creativity!

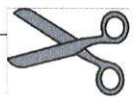

2. Donate gift cards to combine with other donated items to complete a basket.

3. Donate items around which a themed basket can be created.

4. Make a monetary donation to be used to purchase items for baskets.

The names of all those who donate toward the auction will be included in the Fair program and displayed at the auction booth. Donations must be received (or made known) by July 21, 2017 in order to be included in the program. Do you have a basket theme suggestion?
